SUBJECT: Status of Data Submission File Format 2006A

After careful review of the data submission file format known as 2006A, the Department of Local Government Finance (DLGF) and Legislative Services Agency (LSA) jointly determined that this format needs revision.

To that end, an emergency rule will be promulgated within the next 30 days rescinding the 2006A file format. A new format, intended to be used by vendors once they are certified, will replace the 2006A.

Until the establishment of the new file format, and until vendors are certified against the new rule, please submit all data to DLGF and LSA in the 2004A file format for sales disclosures (SALEDISC), and 2003A file format for all other data files.

Please direct any questions regarding this expected rule change to the Data Analysis Division at data@dlgf.in.gov.

Thank you in advance for your cooperation, and for all your efforts toward data compliance in your respective counties.
